Night Lights

Dear Parents,

We are pleased to announce that Night Lights is making a return this year. We have brought back some of the old favorites and introduced some exciting new classes as well. Night Lights classes are offered to H-H Elementary students in grades K-5. The classes are designed to enhance your child's education by introducing him or her to new experiences and allowing them to learn through exploration.

Dates and Times: This year, classes will begin on Monday, February 6th and continue through Thursday, March 22nd. Each class will meet six times (once each week). There will be no classes on Monday, Feb. 20th, Tuesday, March 6th, or Thursday, March 1st. Classes begin right after school and go until 4:40. *See back for a complete listing of dates for each class.

****JAMA Classes ONLY~ require additional times to complete projects. Students in grades K-2nd will continue on Thursday, March 29th and Thursday, April 12th. Students in grades 3rd -5th will start one week early on Tuesday, January 31st and end on Tuesday, March 20th.**

Cost: The cost varies per class and is listed just beneath the name of the course on the schedule. Most are \$20.00, but due to the fact that some classes require additional materials there may be an additional cost.

Transportation: No bussing will be available. Students will need to be picked up **in the lobby** at the 4:40 dismissal time. No student will be allowed to leave the building without an adult. Please be prompt, as many of the class instructors are teachers who have families to get home to as well. **More than one late pick up will result in dismissal from the class!** There will be no refund if your child is dismissed for late pick up. For your convenience, we will happily provide a Kid's Club registration form upon request if you'd like your child to go there until you arrive for pick up.

Register Early! Registration begins Friday, January 13th and ends Friday, January 20th. Class sizes are limited and do tend to fill up quickly, so please list a second choice. We will make every effort to get your child into a class of their choice. Please understand in order to make it a safe and pleasant experience for the students and teachers we must put a limit on each class. If a class does not have sufficient interest, we will cancel that class and your child will be placed in their 2nd choice class.

Your child will be notified of which class he/she is enrolled in by a letter on **Tuesday, January 24th**.

If you would like for your child to attend a class, but the funds are simply not there, please call 563-0103 and we will make an attempt to provide a class. Only one class is available for each scholarship. If you would like to provide a scholarship for a student in need, please let us know.

Thank you,

Laura Kinney, Melissa Duffrin
