

Tuesday Classes

Fun in the Kitchen

Cost \$20, plus supplies \$7 = \$27

Instructor: Barb Keith

Grades: K-2

In this class you will learn how to make lots of yummy treats for your family. The best part is, you get to eat your creations!

Playdoh

Cost \$20

Instructor: Belinda Vinton

Grades: K-2

If you love to roll, cut, and design with playdoh, this class is for you!

Family Mix

Cost: Free

Instructor: G. Proctor, M.A, L.L.P.C.

Grades: K-5

Join us for games, drawing, and much more. As a group we will talk about living in the various types of situations, (single parent homes, adoption/foster homes, and blended family homes). A time to see there are others just like us.

Surfin the Net to Study Island

Cost: \$20

Instructor: Karen Brockie

Grades: 2-5

Struggling with those basic facts or other math areas? This class will meet in the computer lab. Students will be given time to work on Study Island, math magician, and/or other learning websites.

JAMA

Cost: \$35

Instructor: Kim Allison

Grades: 3-5

**Begins January 31st **

Ends March 20th

Marvelous machines: making work easier is for 3rd -5th grade students. Marvelous machines

guides students to learn about how factories use processes, systems, and machines to help make work easier and safer for workers. For more information, visit elementary engineers at www.mos.org/eie/simplemachines.php

Girl's Basketball

Cost:\$20

Instructor: Dawn Howe

Grades 3-5

If you can't get enough basketball, this class is for you! Learn some drills and play ball with your friends.

Photography

Cost: \$20

Instructor: Wendy Lebel

Grades 4-5

Local Photographer, Wendy Lebel, is teaching this class. Each week, students will be sent on a scavenger hunt to find various photos. ***This class requires students to have their own digital camera with a memory card.***
