- 6th Grade Orientation 6:00 p.m.
- 7th & 8th Grade Open House 6:45 - 8:00 p.m.

September 2

- First Day of School Half Day for Students

September 19

- Picture Day, K-12

October 1

- Student Count Day

October 3

- Homecoming

October 29

- Elem. Fall Festival

October 31

- End of 1st Marking Period

FROM THE DESK OF SUPERINTENDENT JOHN DENNEY

While summer comes to a close and another school year gets ready to begin, I want to thank the entire Hanover-Horton community for the support given to our district. Our students and staff are fortunate to have the tremendous support you provide to us every day.

One significant change that has taken place over the summer is that we have a new high school principal. Our previous principal, Mr. Dan Draper, has accepted a position at the Jackson Area Career Center. We are excited to welcome our new high school principal, Mr. Isaac Cottrell. He is a 1993 graduate of Hanover-Horton High School and has taught in Concord and Northville. While this will be his first full-time administrative position, he brings a wealth of knowledge and is more than ready for this new challenge. We feel lucky to have him on our staff!

As a district, we have been focused on improvement. We are continuously looking for ways to improve our curriculum, our methods, our facilities, and strive to offer the best education we can. I would like to take this opportunity to pass along some updates dealing with our district's academics, facilities, and communication.

ACADEMICS: Academically, we have again been able to position ourselves as one of the top districts in Jackson County. Our recent results on the Michigan Merit Exam, ACT, and MEAP, have shown great growth. We anticipate that our scores will continue to rise in all areas as new programs begin to take effect.

Last year, we added a Young 5's program for our little ones. This classroom gave the opportunity for students that were old enough for Kindergarten, but were not quite ready for it, the time to develop the skills needed for success. We believe, that for some children, time is the best gift we can give them. The response from parents was so strong that for this year, we needed to add a second section to the program.

This year, a major addition to our curriculum will be Advanced Placement (AP) courses at the high school. Students that can successfully pass the AP final exam are able to earn college credit for their high school class. This opportunity will enable our students to earn college credit without the need to travel or take a course online. We are excited that nearly half of our senior class will be taking AP Calculus this year!

FACILITIES: Thanks to the support of our community, our facilities are among the best in the area. Our new weight room facility is currently under construction and should be completed shortly after the students return in September. We were able to secure a grant which will allow us to purchase several pieces of weight equipment which will greatly enhance the environment for our students. This new facility will allow our students to utilize a much safer environment. We are excited to offer this amazing area to our students.

Moving forward, our next

major project will be roofing the elementary school within the next couple of years. We will again use our sinking fund money for this project when the time comes. It is our plan to replace the roof before we have any significant leaks.

COMMUNICATION: An important goal that I have is to effectively communicate with our students, families, and community. Through this newsletter and our website, we are able to highlight some of the major events happening. However, if you have an interest in what is happening on a more regular basis, follow us on Facebook. Simply type "Hanover-Horton School District" in the search area, and after you go to our page, just click "like." You will automatically receive our updates in your newsfeed. Our Facebook page is the best source for up-to-date information.

If you have any questions about any of these items or anything else, please feel free to ask me; I'm always glad to help. Again, thank you for all of your continued support!

John Denney, Superintendent

CHILD CARE

NONDISCRIMINATION AND ACCESS TO
EQUAL EDUCATIONAL OPPORTUNITY

The Board of Education does not discriminate on the basis of the Protected Classes of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or any other statutorily protected category (collectively, "Protected Classes") in its educational programs or activities.

Healthy Changes in Our School Cafeterias

This fall, Hanover-Horton School District cafeterias are meeting tough new federal nutrition standards for school meals, ensuring that meals are healthy and well-balanced and provide students all the nutrition they need to succeed at school. Now is a great time to encourage your kids to choose school lunch!

School meals offer students milk, fruits and vegetables, proteins and grains, and they must meet strict limits on saturated fat and portion size. Starting in School Year 2014-2015, school lunches will meet additional standards requiring:

- Age-appropriate calorie limits for breakfast and lunch
- Fat-free or 1% milk (flavored milk must be fat-free)
- 0 grams trans fat
- More whole grains
- Reduced sodium levels
- A wider variety of vegetables, including dark green and red/orange vegetables and legumes
- Larger servings of vegetables and fruits (students must take at least one serving of fruit or vegetable)

We're always working to offer Hanover-Horton students healthier and tastier choices. We are focusing on serving healthy homemade entrees, locally grown foods, and increased offerings of whole grains.

School meals are a great value and a huge convenience for busy families too! Below are the meal prices.

	Elementary School	Middle School	High School	Milk
Breakfast	\$1.65	\$1.65	\$1.65	\$0.50
Lunch	\$2.35	\$2.60	\$2.60	\$0.50

SendMoneyToSchool.com is a great tool to monitor your student's meal account activity, deposit funds online, and view the account balance. If you would like to receive email alerts when your student's account falls below the minimum balance, contact the Food Service Office, 517.990.3603, to have this service set up.

Meal applications can be submitted prior to the beginning of school by stopping by any of the building offices or submitting an application online at LunchApp.com. Applications can take up to 10 days for processing. For the fastest approval, utilize our online portal at www.LunchApp.com.

We look forward to welcoming your children to the cafeteria this fall. To find out more about Hanover-Horton School's healthy school meals, contact Alan Breneman, Director of Food Services at 517.990.3603. Thank you!

Deposit funds into student accounts online,
www.SendMoneytoSchool.com.

Submit a Free/Reduced Meal Application online, www.SendMoneytoSchool.com.

REQUEST FORM TO KEEP YOUR CONTACT INFORMATION PRIVATE

The law requires that schools give parents and students the opportunity to request that information, including name, phone number, address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and the most recent previous educational agency of institution attended by the student, not be disclosed to anyone outside of the school.

If you don't want your information released to military recruiters and/or request that your information be kept private in other places, as well (such as a yearbook or other school publication) please fill out the form below.

Once a parent or student makes this request, directory information cannot be disclosed without the affirmative consent of the parent (or the student if the student is over 18 years of age). If you do not opt out a school may provide only the student's name, address and listed phone number to military recruiters, upon request. Unlisted phone numbers may not be disclosed.

These requests are separated in the form below so that it is clear what information you wish to be released and to whom it may be released. Once you have signed and returned the form the information may not be released without a parent or guardian's prior written consent.

It is **not** required by law but it is recommended that a parent or guardian and the student both sign this form. It is also recommended that you keep a copy for your records.

Date: _____

Dear administrator of _____
(Name of school)

I hereby request that the name, address and telephone listing of the following student:

(Print name of student)

(Check all that apply)

_____ not be released to military recruiters without prior written parental consent

_____ not be released to anyone in any school publication without prior consent

_____ not be released to anyone in any school publication without prior consent with the exception of the student yearbook. You may publish picture and name in the yearbook.

Print name of parent or legal guardian

Signature of parent or guardian
