FROM THE DESK OF SUPERINTENDENT JOHN DENNEY...

THANK YOU!!! I would like to begin this newsletter by thanking our wonderful community for your overwhelming support of our recent millage renewals. Please know how much your support is appreciated. On behalf of all of us associated with the district, thank you!

As we prepare to begin the 2015-2016 school year, I'd like to reflect on a great 2014-2015 year and discuss the future. This past year saw our students excel in so many areas from academics to athletics. Our facilities received more updates, the biggest one being the addition of the new weight room at the high school. This summer we put a new entryway and roof on the elementary building. Following are more details regarding the areas of academics, athletics and facilities.

ACADEMICS: We are still waiting for the release of our spring test result; this was the first year of the M-STEP test, which replaced the MEAP. It appears that it may still be another month or so until we see all of the scores. However, we are very confident that our results will reflect the great effort that has gone into adjusting our curriculum to meet the ever-changing demands. Our high school has received its preliminary ACT results, and the scores will likely put us at the top or near the top in the county in every score category. Again, we will need to wait to know for sure. Once we receive our detailed scores from all of the tests, we will begin the process of evaluating our curriculum and instruction in order to deliver the best education possible to our students.

ATHLETICS: Last year was a great year for Comet athletics! Our teams collected multiple conference, district, and regional championships to go along with a final four appearance in boys' basketball, an individual state champion in girls' bowling, and a state championship in boys' bowling. We also had our first track relay team win the state championship in the 3200m relay. At the local level, our teams earned the Burdette Andrews All-Sports Award as the winningest all-around program in the Cascades Conference. Several Comet teams and players were also recognized for their academic excellence, earning Academic All-State hon-

ors in addition to their record-setting achievements. Our Comets performed very well in the classroom as well as in their competitions. We are very proud of all that they accomplished!

FACILITIES: When the Sinking Fund was renewed a few years ago, the elementary roof was identified as a top priority for replacement during the life of the millage. During the past couple of hard winters, it also became apparent that the main entry for the elementary needed to be addressed. Shortly after school let out in June, the work began to construct a brand new enclosed entryway and to place a new roof on the entire building. Additional drainage was also installed around the circle drive of the elementary building in order to help eliminate some of the icing issues we have had. This entire project was paid for out of our sinking fund. Again, thank you for your continued support of this fund that allows us to continue to meet the physical needs of our facilities

Looking forward, we will not likely have more projects as big as the weight room and roof, but there will still be very important items to address. Some projects will likely include additional electrical/mechanical upgrades in order to improve efficiency, sidewalk replacement, parking lot repairs, and other items that will present themselves in the future. Now that we know the sinking fund will continue to be there, we will prioritize and create a plan on how best to move forward. We will continue to focus on maintaining the phenomenal facilities that we have and providing the best environment for our students.

Please feel free to contact me if you have any questions or concerns about our district. Thank you again for your continued support!

John

Go Comets!

ATHLETIC INFORMATION

ATHLETIC PASSES

	<u>Fall</u>	<u>Winter</u>	<u>Spring</u>
Family	\$150	\$100	\$50
Individual	\$75	\$50	\$40
Student	\$40	\$30	\$20

CONCUSSION PROTOCOL

All athletes must have a concussion form signed and on file with their school. If an athlete is concussed, they must have written permission from a physician to be released back to physical activities.

LIMITED TEAM MEMBERSHIP

Once practicing with a high school team, a student may not participate in competition not sponsored by his/her school in the same sport/same season, i.e. 3-on-3 basketball during basketball season, etc.

KIDS CLUB

If you need a safe, fun place to leave your child before school starts or after school gets out, consider our Latchkey program located within the Elementary building. Pay only for days you attend, and use this program as you need. We offer help with homework, easy transition to and from class and snacks. Open mornings at 6:30 a.m. and closed evenings at 6:00 p.m. All staff is certified CPR, First Aid, Blood Borne Pathogens and have received a criminal background check.

Healthy Changes in Our School Cafeterias

This fall, Hanover-Horton School District cafeterias are meeting tough new federal nutrition standards for school meals, ensuring that meals are healthy and well-balanced and provide students all the nutrition they need to succeed at school. Now is a great time to encourage your kids to choose school lunch!

School meals offer students milk, fruits and vegetables, proteins and grains, and they must meet strict limits on saturated fat and portion size. Additional standards our school lunches were required to meet::

- Age-appropriate calorie limits for breakfast and lunch
- Fat-free or 1% milk (flavored milk must be fat-free)
- 0 grams trans fat
- More whole grains
- Reduced sodium levels
- A wider variety of vegetables, including dark green and red/orange vegetables and legumes
- Larger servings of vegetables and fruits (students must take at least one serving of fruit or vegetable)

We're always working to offer Hanover-Horton students healthier and tastier choices. We are focusing on serving healthy homemade entrees, locally grown foods, and increased offerings of whole grains. School meals are a great value and a huge convenience for busy families too! Below are the meal prices.

SendMoneyToSchool.com is a great tool to monitor your student's meal account activity, deposit funds online, and view the account balance. If you would like to receive email alerts when your student's account falls below the minimum balance, contact the Food Service Office, 517.990.3603, to have this service set up.

	Elementary School	Middle School	High School	Milk
Breakfast	\$1.65	\$1.65	\$1.65	\$0.55
Lunch	\$2.45	\$2.70	\$2.70	\$0.55

Meal applications can be submitted prior to the beginning of school by stopping by any of the building offices or submitting an application online at LunchApp.com. Applications can take up to 10 days for processing. For the fastest approval, utilize our online portal at www.LunchApp.com.

We look forward to welcoming your children to the cafeteria this fall. To find out more about Hanover-Horton School's healthy school meals, contact Alan Breneman, Director of Food Services at 517.990.3603. Thank you!
