Jackson County ISD Special Education Millage Renewal Proposal

KEY FACTS ABOUT THE RENEWAL

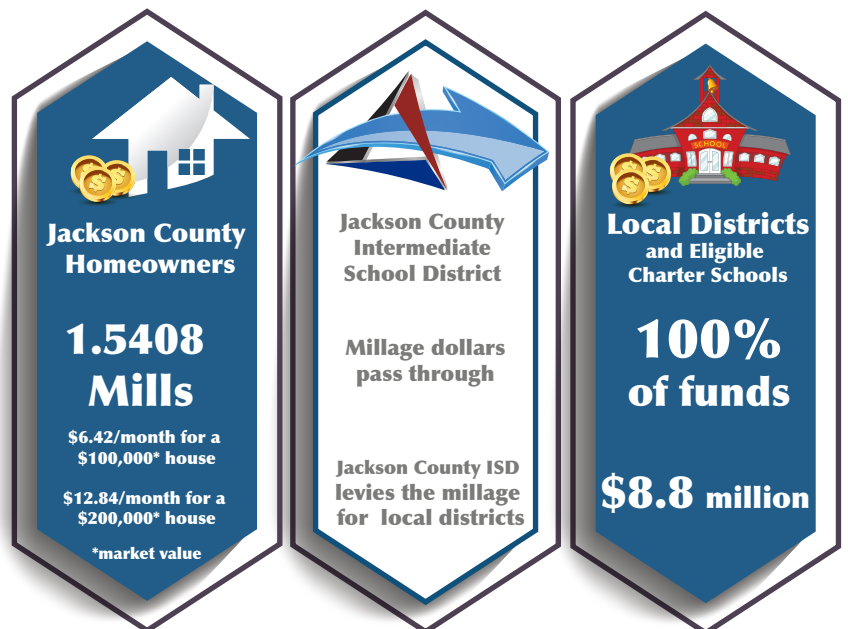

- **NO NEW TAXES:** This is a **renewal** of the 1.5408-mill property tax millage that voters approved in 2017. If approved, the proposal would renew this millage for another five years.
- **100% of FUNDS DISTRIBUTED:** 100% of the revenue generated by this millage will be distributed to all of the local school districts and eligible charter schools.
Jackson County ISD receives no funding from this millage.
- **ALL KIDS BENEFIT:** Without this millage in place, local school districts would lose millions in tax funding for **mandated** special education costs, resulting in fewer dollars to support programs for **all students**.
