### FROM THE DESK OF SUPERINTENDENT JOHN DENNEY...

Welcome to the 2023-2024 school year! We cannot wait for our hallways full of students and staff to bring the buildings back to life. Thanks to our great maintenance and custodial staff, our facilities and grounds are in phenomenal condition and ready for another school year. We are so excited for the upcoming year and anticipate another great year for our students!

If you visit our buildings, you will notice the projects done this summer. All of our parking lots were chip-sealed and coated with an emulsion layer. This option was much more cost-effective than repaving the lots would have been and should give us several years before they need attention again. Our track is also receiving an upgrade this summer; the running layer was removed, a new layer of asphalt was added, and a new running surface is scheduled to be installed this month.

Thanks to the help and support of Alro Steel, Lomar Machine, and Optic Edge, we were able to add state championship "banners" to the east wall of the auxiliary gym. Our goal was to recognize our past championships in a way that anyone coming to our district would see. When our Comets win their next championship, the banners can be moved to easily accommodate the additional sign(s). The crew at Lomar took the raw material donated by Alro and donated their time/materials to create the signs. Optic Edge worked closely with Lomar on the design specs and handled the installation for us. This truly was a team effort. Without their expertise and generosity, we would not have been able to do this.

Our last project big project of the summer took advantage of a safety grant we received last year. A secure entry vestibule was added so that visitors to

my office will no longer enter into the school's hallway, but instead will enter directly into the office. The inside of the office was also renovated through the grant. Visitors will now need to walk up the sidewalk on the east side of the library to enter.

We are happy to introduce four new teachers to our community this year. Jake Spurgeon-Hess will teach middle school math. Micki Santoro will be teaching one of our Young 5s classes. We also have two new 5th-grade teachers: Kimberly Alley and Jessica Willis. Currently, the only vacancy is for a 2nd-grade teacher, and we will do our best to have that position filled before ABC Night.

This fall, our school board will be partnering with the Michigan Association of School Boards to go through a formal strategic planning process. During the planning, the input of stakeholders will be collected through in-person meetings and online surveys. The end result of the process will be a long-term plan to help guide the district. Please take advantage of this opportunity to help with this process. Information will be posted on our website as it becomes available.

As we move into another school year, I would like to again take the opportunity to thank you for the incredible amount of support you continue to give to the students and staff of our district! We would not be able to do all that we do without you!

As always, if you have any questions, please reach out.

Go Comets!

*John*

**September 26th*****ABC NIGHT***

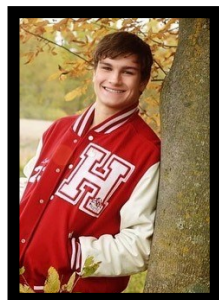

ABC Night for the elementary is almost here! It will take place on Monday, August 21st from 5:00-6:30 pm. For those who are new, ABC (Ask Before Coming) Night gives you the opportunity to come into the school, find out who your child's teacher is and meet them prior to the school year. Teachers will have the opportunity to put out any last minute details, verify emails, phone numbers, communication procedures, and classroom rules and policies.

We'll have bus drivers to meet for your child's specific route, office and support staff, PTA, local community services, and youth athletics. We look forward to seeing you there!

# FOOD SERVICE HIGHLIGHTS

The food service team is excited to announce that this year healthy school meals are free for all! Children need healthy meals to learn! Online applications can be found at <https://hanoverhorton.familyportal.cloud/> Please fill out this easy application to ensure much needed funding!

We are also thrilled to share that this year we will be growing our own leafy greens, herbs, and some fruiting plants such as peppers, cucumbers and strawberries! These hydroponic farms will be producing fresh produce along with providing students a hands-on opportunity to learn about growing healthy food!

**FREE HEALTHY SCHOOL MEALS FOR ALL and GROWING GREENS, HERBS, AND MORE!**

## Welcome, New Comet Staff!

Please welcome the following new staff members to our district!

**Mr. Jake Spurgeon-Hess** will be teaching middle school mathematics. He is a recent graduate of The Ohio State University, and completed his student teaching at Dublin Coffman High School in Ohio. He has been a recreational sports trip leader, climbing instructor, and summer camp leader and is interested in coaching middle school sports.

**Mrs. Kimberly Alley** will be joining our fifth grade team. Mrs. Alley comes to us with 19 years teaching experience at Camden-Frontier Schools, where she taught third grade and was a Literacy Coordinator.

**Mrs. Jessica Willis** is also joining our fifth grade team. Mrs. Willis has previously taught at Western's Warner Elementary and Paragon Charter Academy.

**Mrs. Micki Santoro** is our new Young 5's classroom teacher. She is a graduate of Eastern Michigan University who has experience in elementary and preschool settings.

All of our new staff members will be at ABC/Orientation Night on Monday, August 21st, where they will be anxious to meet their new students. Be sure to stop in and say hi!

### TRANSPORTATION PROCEDURES

If you have any questions regarding the transportation schedules, please call Mr. Logan Beckwith at 517-867-6409. This list of bus routes is intended to give you a general idea of when a bus will arrive, and is *NOT* a complete list. Please refer to the nearest address for your bus stop. Students should be at their stop 15 minutes early for the first two weeks of school. Our goal is to transport our students in the safest, most efficient manner possible. We appreciate the help we receive from parents in keeping our children safe.

**REMINDER: STUDENTS ARE ONLY PERMITTED TO RIDE THEIR ASSIGNED BUS!!!**
