## COMMUNITY INPUT SESSIONS

Hanover-Horton School District's Board of Education is partnering with the Michigan Association of School Boards (MASB) to create a new Strategic Plan for our district. As we work to put goals in place to guide our district for the next 3-5 years, we need your input. Please consider attending one of our two community input sessions in order for your ideas to be captured.

If you are unable to attend, you are still able to share your thoughts with us through an online survey. Either follow the QR code or visit our website for more details.
